## DRAFT Enrolment Scheme Amendment

Likely implementation date: For beginning of term 1, 2021

The guidelines for development and operation of enrolment schemes are issued under section 11G (3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

### Home Zone

**All students who live within the home zone described below (and shown on the attached map) shall be eligible to enrol at the school.**

Starting from the intersection of Sandwich Road and Waimea Terrace,

- South along Waimea Terrace to Eastern Terrace
- East along Eastern Terrace to the Bowenvale Avenue bridge
- South over the bridge to Centaurus Road
- North East along Centaurus Road to Major Aitken Drive
  - Includes all addresses on Major Aitken Drive to Huntsbury Avenue, all addresses on Kenmure Drive and Swanton Drive, and all addresses on the cul-de-sac roads accessed from Major Aitken Drive, Kenmure Drive and Swanton Drive.
- North East along Centaurus Road to St Martins Road
  - Includes all addresses accessed from Waka Terrace, Woodlau Rise, Sepia Lane, Austin Kirk Lane
- North along St Martins Road to Burnbrae Street
- West along Burnbrae Street to Riverlaw Terrace
- North along Riverlaw Terrace to Wilsons Road South
- North West across the Wilsons Road bridge to Eastern Terrace
- South West along Eastern Terrace to Tennyson Street
- West along Tennyson Street to Southampton Street
- North along Southampton Street to Croydon Street
  - Including Ikamatua Lane
- North East along Croydon Street to Huxley Street
- North West along Huxley Street to Montrose Street
- South West along Montrose Street to Southampton Street
- North West along Southampton Street to Colombo Street
- South along the East side only of Colombo Street to Waimea Terrace
- East, then South along Waimea Terrace to Sandwich Road.

Addresses on both sides of boundary roads are considered in-zone except for Colombo St which is the East side only.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date that will be published in a daily or community newspaper circulating in the area served by the school. This will enable the board to assess the number of places that can be made available to students who live outside the home zone.

### Transitional Arrangements

**For families of currently enrolled students whose addresses become “out of zone” due to this amendment to the enrolment scheme home zone:** they shall be deemed to be “in-zone”, but only for as long as they contain children who, at the time of enrolment, are the siblings of current students. The School office holds a list of such families if you are not sure of your situation.

**NB** This is a very tightly defined concession. It would **not apply** to:

- A. Children of parents who move in to any of these addresses subsequent to the adoption of the enrolment scheme boundary amendment; and
- B. Children of parents currently living at one of the addresses who move out of the address subsequent to the adoption of the enrolment scheme boundary amendment.

Section 11E of the Education Act 1989 states that “a state school’s home zone must be defined by geographic boundaries, and must be described in such a way that any given address is either within or outside the home zone.” The list above is defining a location as “in-zone” unless dictated otherwise by the exceptions outlined in A and B above.

## Special Programmes

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

## Out of Zone Enrolments

Each year the Board of Trustees will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolments will be processed in the following order of priority:

- **First priority** is not applicable at this school because the school does not run a special programme approved by the Secretary for Education.
- **Second priority** must be given to applicants who are siblings of current students.
- **Third priority** must be given to applicants who are siblings of former students.
- **Fourth priority** must be given to any applicant who is a child of a former student of the school.
- **Fifth priority** must be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- **Sixth priority** must be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by ballot conducted in accordance with instructions by the Secretary, under Section 11G (1) on the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
